

SEDGWICK COUNTY, KANSAS

SHERIFF'S DEPARTMENT GARY STEED Sheriff

141 WEST ELM * WICHITA, KANSAS 67203 * TELEPHONE: (316) 383-7264 * FAX: (316) 660-3248

Dear Citizens of Sedgwick County:

It is a continuing honor to serve as Sheriff of Sedgwick County. I am very proud of the men and women of the Sedgwick County Sheriff's Department and their accomplishments while serving our community in 2002. The usual statistics documenting their accomplishments are included in this annual report. The numbers do not tell the whole story of their dedication. Please take a few minutes to review some of the efforts that are not readily revealed in a spreadsheet.

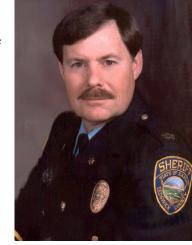

NEW OR IMPROVED PROGRAMS

Through a grant, we added a detective to the Exploited and Missing Child Unit (EMCU) dedicated to internet crimes against children investigations. We re-organized the Investigations Division to establish a much needed Forensic Computer Investigator. We worked with the Kansas Bureau of Investigations and received a High Intensity Drug Trafficking Area (HIDTA) grant to fund detectives assigned to a Drug Enforcement Task Force dedicated to methamphetamine investigations.

• The Heartland Joint Terrorism Task Force was formed with the Federal Bureau of Investigation, Wichita Police Department, and the Kansas Highway Patrol. This task force conducts investigations related to possible terrorism and provides a local conduit

for classified information to local departments.

- The Canine Unit began service in 2002. The canines give the department a tool to locate illegal drugs, find lost persons, pursue suspects on foot, locate evidence, and provide increased officer safety. This program was a partnership with many citizens in Sedgwick County who provided funds to establish the program.
- The Community Policing Section, along with the Derby Recreation Commission and Derby schools, continue to work on the Oaklawn Recreation Project. This project

provides activities and mentoring for the youths in Oaklawn.

- In partnership with the Wichita Police Department, USD 267, and USD 257, we conducted the first Wichita/Sedgwick County Youth Citizen Police Academy. This program starts in the school year as kids learn about peer pressure, conflict resolution, self-esteem, driving under the influence, sexual assault, bullying, drug awareness and law enforcement. The summer portion is essentially a week-long day camp where students participate in ride-alongs, tour the detention facility, forensic center, firearms range, and learn about community policing and crime prevention.
- The Diversity Initiative, with the help of the National Conference of Community and Justice, continued. Employees were surveyed and benchmarks established. A Diversity Action Council was established to institute the strategic plan. Communications, recruiting, retention, and promotions are all part of the strategic plan being reviewed by the DAC. All employees attended diversity workshops. We also established a department newsletter.
- In partnership with the Board of County Commissioners we began work on a comprehensive plan to address current and future inmate housing needs. The comprehensive plan will examine programs to reduce the number of needed beds and determine the scope of future detention expansion.
- Our Citizen Contact Survey continues. Along with Wichita State University, we are
 collecting data for analysis regarding racial profiling. We have also established an online
 citizen survey on our website for citizens to contact us about concerns or problems. Also
 on the home page there is a box to sign up for our e-newsletter. This is a way for our
 department to communicate with interested citizens about upcoming events, crime
 prevention tips, and other news.
- Project Talon was a partnership of seventeen local agencies in a multi-agency task force
 that focused on the service of arrest warrants. 174 warrants were cleared and 102 persons
 arrested in a two-day period. Including departments from jurisdictions surrounding
 Sedgwick County allowed us to clear warrants without substantial and long-term impact
 on the detention facility.
- We worked with Congressman Todd Tiahrt to obtain a \$1 million grant to replace our records management system.
- We worked with COMCARE to obtain additional staff to provide mental health services to inmates.
- We worked with detention clinic staff to develop a formulary for inmate medications and a program to allow inmates to self-administer many medications. We obtained grants to purchase much needed software for the detention clinic to manage inmate medical records. We believe that these changes will reduce inmate medical care costs.

- We partnered with Sedgwick County in developing our Property Annex. A former large equipment repair shop was converted to additional storage for evidence and seized vehicles.
- Sedgwick County Crime Stoppers, KSN, and the Sedgwick County Sheriff's Department developed a very effective Felon of the Day Program to identify and arrest wanted persons by informing the public via television. As they say on television "Your tips have helped law enforcement take these fugitives off the street."
- We obtained grants to obtain less lethal weapons and devised a program for deployment of the weapons. We also received a grant and replaced aging department issued Glock handguns.
- Several programs were developed in 2002 that will not become operational until 2003. One of these programs is the Departmental Unified Statistical Report (DUSTR). Various departmental statistics have been computerized and collected in a single spreadsheet for comparison and manipulation. I believe that the department has been restricted in our ability to analyze data and respond to community needs because of our paper-based system of statistical analysis. The DUSTR will improve our ability to use the statistics we collect. We are also working with Sedgwick County Geographic Information Services to develop a crime analysis program to assist in identifying crime and traffic problem areas.
- The Sheriffs Telling Our Parents Promoting Educated Drivers (STOPPED) program is another program developed in 2002 and instituted in 2003. The program allows parents to register vehicles of teenage drivers with the Sheriff's Department and receive a car window sticker. The parent will be notified by mail if the vehicle is stopped by law enforcement officers.
- We continue to participate in the Drug Abuse Resistance Education (DARE) program to educate Sedgwick County kids to resist drugs and violence.
- In 1995 the Sheriff's Department initiated a program focusing on young people ages eleven through fifteen. The program is named LAW Camp for Leaders Achievers and Winners. Partners in the program are the Kansas Army National Guard, Big Brothers and Sisters and the Wichita Crime Commission. The program gives approximately 150 kids between the ages of 11 and 15 the opportunity to be in a camp setting. Sheriffs deputies and guardsmen provide mentoring to the participants in the areas of self-esteem, team building, cultural awareness, communications skills, and drug awareness. Many fun activities, such as fishing and wall climbing, are also provided. More that 1100 campers have participated in this program to date.
- Traffic safety continues to be a priority with the department. The Sedgwick County Sheriff's Department is involved in the Kansas Clicks Special Traffic Enforcement

Program (STEP). The STEP mobilizations are enforcement operations during which law enforcement officers conduct aggressive traffic enforcement operations targeting occupant protection and specialized traffic violations. This program is a coordinated, cooperative statewide approach to special traffic enforcement with an emphasis on enforcement of the Kansas occupant protection laws.

INDIVIDUAL AWARDS AND RECOGNITION RECEIVED

- Deputy Jason B. Gill Awarded Bronze Medal of Meritorious Conduct. Deputy Gill recovered a stolen vehicle and weapon used in a series of drive-by shootings.
- Detention Deputy Robert J. Schulte Awarded Bronze Medal of Meritorious Conduct. Detention Deputy Schulte found an inmate hanging in his cell in an attempted suicide and provided rescue breathes which the inmate responded to and began breathing on his own.
- Sergeant Terrilee Jones Awarded Bronze Metal of Outstanding Service. Sergeant Jones was one of the first Sedgwick County Sheriff's Department deputies to attend D.A.R.E. training in 1991. From this humble start she has continued her efforts to make a difference in our community through her involvement in D.A.R.E., Law Camp, Wichita/Sedgwick County Crime Stoppers, and other department community based crime prevention initiatives. Sergeant Jones' desire to serve the community by her dedication, intelligence, and devotion to duty for the past 10 years resulted in her being recognized by the Wichita Crime Commission as the 2001 Crime Prevention Law Enforcement Officer of the year.
- Deputies James Prunier, Daniel Hershberger, and Owen Grote Bronze Medal of
 Meritorious Conduct. Conrad S. Jansson Bronze Medal of Outstanding Service.
 Deputies James Prunier, Daniel Hershberger, and Owen Grote became involved in a
 vehicle pursuit that ended in rural Butler County. While Deputies Hershberger and
 Prunier took the driver of the vehicle into custody, Deputy Grote and former Deputy Troy
 Griggs pursued the passenger into a wooded area and were sprayed with pepper spray
 resulting in the use of deadly force against the subject.
- Deputy Tracy Spreier Bronze Medal of Outstanding Service. Deputy Spreier, with assistance from Deputies Matthew Lynch and Jason Pierce and Sgt Farthing, apprehended two robbery suspects along with recovering evidence of the robbery. Deputy Spreier (on a different date) observed a car matching the description of a rape suspect and arrested the suspect without incident.
- Lieutenant Samual Houston Bronze Medal of Outstanding Service. Lieutenant Houston, since being assigned as the Patrol Administrative Lieutenant, has been responsible for the development and implementation of several new initiatives which include the EVOP and K-9 programs.
- Civil Deputy Loyd Hamrick Bronze Medal of Meritorious Conduct. Civil Deputy
 Hamrick heard a broadcast regarding an armed robbery suspect and observed a vehicle
 matching the description. Civil Deputy Hamrick provided this information to dispatch
 and the Wichita Police Department was able to intercept the vehicle and arrest the
 occupants.
- Sergeant Oscar Thomasson Bronze Medal of Outstanding Service. Sergeant Thomasson has demonstrated himself to be an essential asset to the Sedgwick County

- Sheriff's Department by developing PowerPoint presentations on safety related topics, developed and coordinated the department's recycling program, coordinated the expansion of the Chaplain's program, and developed a department wide spreadsheet program for tracking funding and expenditures.
- Lieutenant Terry Parham Bronze Medal of Outstanding Service. Lieutenant Parham has created a department wide inventory database, obtained and implemented an evidence tracking system, standardized an out-processing program for the department, established a network employee photo/data base, and through assignments to IT committees has insured the interest of the department in future planning.
- Detective M. Annette Haga Bronze Medal of Outstanding Service. Detective Haga, while assigned to the Wichita-Sedgwick County FBI Violent Crime Task Force, was recognized for her outstanding diligence and devotion to duty. Detective Haga had a resolution of 71 case assignments, a clearance rate of 53%, which is more than twice the national average.
- Deputy Benjamin Blick Bronze Medal of Meritorious Conduct. Deputy Blick responded to a disturbance with a firearm and kidnapping call. Deputy Blick located the suspect vehicle and arrested the armed suspect following a brief foot chase. Investigation determined the suspects intended to kill the victim. Deputy Blick also received a Bronze Medal of Outstanding Service During a car stop, Deputy Blick determined the driver to have an outstanding warrant, and a search of the vehicle produced several items commonly used in the transportation of illegal drugs and \$52,629.
- Deputy Thomas Delgado Bronze Medal of Outstanding Service. Deputy Delgado developed suspect vehicle information regarding a series of 43 burglaries. As a result he noticed a vehicle matching the description at a residence. Detectives were notified and a suspect was taken into custody. The burglary cases were cleared with the recovery of 26 firearms and property exceeding \$100,000.
- Deputy Dana Hoffman Bronze Medal of Meritorious Conduct. Deputy Hoffman rescued an elderly, disabled occupant in a residential house fire.
- Deputy Steven Olsen and Deputy Lanon Thompson Bronze Medal of Outstanding Service Deputy Olsen and Deputy Thompson conducted a car stop which resulted in the arrest of the occupants and the seizure of a quantity of marijuana and over \$52,000.
- Deputy Larry Mazur Bronze Medal of Meritorious Conduct. Deputy Mazur assisted Wichita Police Department in apprehending a robbery suspect. The stolen money was recovered along with a handgun.
- Detention Deputy Lee Crawford Bronze Medal of Outstanding Service. Detention Deputy Crawford witnessed a vehicle accident, and found the female driver unresponsive. He stabilized the driver until relieved by Wichita Fire Rescue personnel.
- Sergeant Jay McLaurian Bronze Medal of Outstanding Service. During Sergeant McLaurian's assignment at EMCU he displayed exceptional leadership to members of the unit.
- Deputy Matthew Lynch Bronze Medal of Meritorious Conduct. Deputy Lynch responded to a shooting report and located 4 victims, then coordinated the initial security of the crime scene.

- Deputy Robert Clark Bronze Medal of Outstanding Service. During a car stop of a suspicious vehicle, Deputy Clark interrupted an attempted rape in progress and arrested the subject.
- Sergeant Clifford Miller Bronze Medal of Outstanding Service. Sergeant Miller was the supervisor in charge of the court security guard squad during the Carr brothers trial, which presented many unique security and enforcement issues.

ROUTINE PROGRAMS AND SERVICES

ADMINISTRATION

- 1,186 mortgage foreclosure sales were conducted.
- 136 parcels of real estate were auctioned for unpaid taxes resulting in collection of \$611,677.

• INVESTIGATIONS DIVISION

- On average each detective was assigned 28 cases a month to investigate.
- On average arrest warrants were drawn for 62 persons each month.
- On average 6 Search Warrants were executed each month.
- On average 22 crime scenes were processed each month.
- On average detectives seized illegal drugs valued at \$16,678 each month.
- On average detectives recovered \$70,209 in stolen property each month.

DETENTION BUREAU

- The average daily inmate population was 1,002.
- On average 92 prisoners were booked daily for a year total of 33,584.
- Over 3,558 meals were prepared and served daily.
- 14.5% of all inmates booked were involved in some form of domestic violence.
- Detention staff managed \$1,251,346 in inmate account funds.
- It costs \$1,072 to equip each new detention deputy.

PATROL DIVISION

- The Patrol Division is charged with providing protection and service to the citizens of Sedgwick County covering 1,084 square miles.
- On average patrol deputies drove 135,563 miles each month.
- On average deputies responded to 96 non-injury traffic accidents a month.
- On average deputies responded to 37 injury traffic accidents a month, 1 being a fatality.
- On average 881 cases were opened a month by patrol deputies.

- On average deputies issued 2,213 traffic citations a month and another 680 warning citations.
- On average patrol deputies arrested 51 persons for DUI; 37 for felony crimes; 125 for misdemeanor crimes; and 53 persons for outstanding warrants
- On average patrol deputies responded to an additional 254 service calls each month.
- It costs \$2,570 to equip each new patrol deputy.

TECHNICAL BUREAU

- On average civil deputies served 508 civil court documents a day at the rate of 60 an hour or 1 every minute.
- On average court security deputies escorted 53 inmates a day to court.
- Transportation deputies transported 4,140 prisoners without incident.
- On average transportation deputies drove 13,298 miles each month transporting prisoners.
- Property & Evidence received over 8,300 items of evidence ranging from drugs to vehicles.
- Approximately 1,100 items of evidence were returned to the owner.
- The Tag Enforcement Unit resulted in collection of \$449,269, an increase of \$45,529 over 2001 collections.
- On average the Records Section opened 1,131 cases each month.
- The Training Section trained 57 new detention deputies for a total of 26,647.5 hours.
- On average deputies received 863 hours of in-service training each month. Another 241 hours of in-service was provided to area law enforcement officers each month.

I am very proud of the progress we have made and the partnerships we have with various persons, groups, and agencies to better serve our community. I am also sure you will agree that the employees of the Sedgwick County Sheriff's Department served you well in 2002. Excellence does not occur by luck. It is accomplished by the planning and hard work of the many members of the Sedgwick County Sheriff's Department

Sincerely,

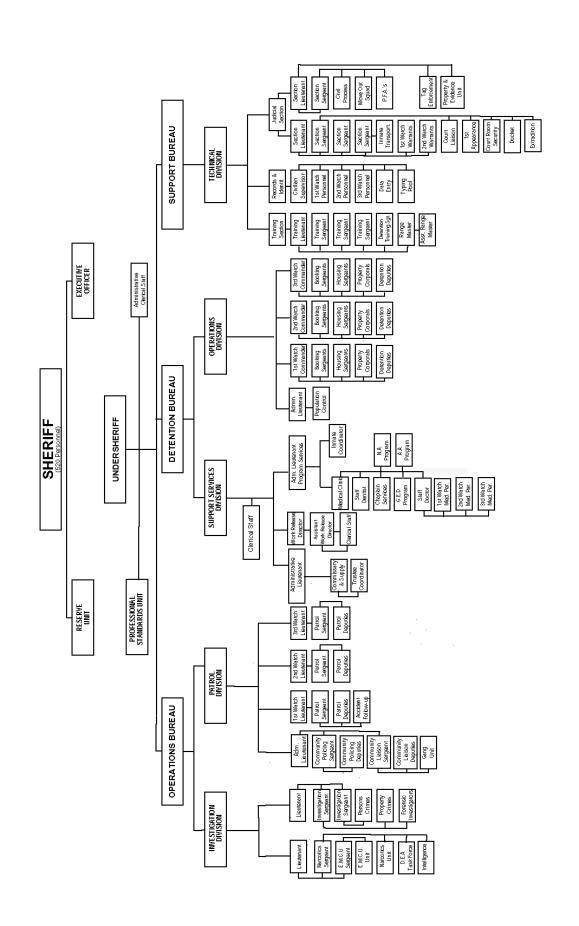

Gary E. Steed

Sheriff

PROFESSIONAL STANDARDS UNIT

The Professional Standards Unit (PSU) investigates all formal complaints of misconduct by departmental personnel and performs research and planning functions. They review all use of force incidents involving department employees. The Planning and Research functions include statistical analysis of departmental reports, policy and procedure and determine if there is a need for change in policy, equipment or training. The unit also updates the computerized online policy and procedure manuals.

The Sedgwick County Sheriff's Department is proud of its diverse work force. It is imperative that those people enforcing the law are representative of the community that they protect. The following graphs represent statistics taken from the 1990 Census as identified by the State of Kansas Labor Market Information Services. The graphs compare labor force estimates of the percentages of minority workers in the Wichita Metropolitan area with those currently working in the Sedgwick County Sheriff's Department.

Work Force Comparison by Race

Operations Bureau

Major Jackie Stuart commands the Operations Bureau. The Operations Bureau encompasses the Investigations and Patrol Divisions.

BUREAU COMMANDER MAJOR JACKIE A. STUART

INVESTIGATIONS DIVISION

Captain Greg Schauner

The Investigations Division under the supervision of Captain Greg Schauner has the primary responsibility for investigating criminal activity in Sedgwick County. The Investigations Division is composed of several sections.

- The Forensic Laboratory processes crime scenes, collects and processes physical evidence, and operates the photo lab.
- The Narcotics Section investigates drug and liquor law violations.
- The Intelligence Section receives and disseminates information from citizens and law enforcement agencies regarding criminal activity and possible terrorist targets.
- Three detectives are assigned full time to the Drug Enforcement Administration (DEA) multi-agency task force. They investigate intrastate, interstate, and international illegal drug activity that has a Sedgwick County interest.
- The Exploited and Missing Child Unit (EMCU) is composed of personnel from the Sedgwick County Sheriff's Department, Wichita Police Department and the Kansas State Department of Social and Rehabilitative Services. The EMCU investigates cases of sexual abuse, the sexual exploitation of children, as well as missing and runaway child reports. A detective sergeant, three detectives and two support personnel are assigned to EMCU. The EMCU is also home to the Internet Crimes Against Children Task Force and the Computer Forensics Unit.

PATROL DIVISION

Captain James R. Woods

The Patrol Division is commanded by Captain James R. Woods and is made up of the Patrol Section, the Community Liaison Section, the Community Policing Section, and the K-9 Unit. The Patrol Division is the uniformed deputies that are the first responders to calls for assistance.

• The Patrol Section consists of "uniformed" deputies and supervisors that operate in "marked" Sheriff Patrol cars, 7 days a week, 24 hours a day. Their primary mission is to detect or prevent violations of criminal and traffic laws, as well as providing assistance whenever requested. Sheriff Patrol Deputies have jurisdiction throughout Sedgwick County, however they do not assume primary responsibility

for enforcement within municipalities in Sedgwick County that have their own law enforcement agencies.

The Patrol Section remains committed to the community policing concept. Patrol deputies are assigned to specific beats with the goal of becoming familiar with the people and activities of the area they patrol. They make a proactive effort to identify and prevent incidents rather than just reacting to them. Deputies are sensitive to concerns of citizens and address those concerns that are communicated or observed in an effort to improve quality of life issues. Patrol deputies are encouraged to take innovative action by either team or independent methods to solve problems, through working with the citizens of Sedgwick County to insure a safe and secure community.

• The Community Policing Section (CP) is comprised of one sergeant and four deputies. The CP section specifically addresses long-term problems and situations outside the normal scope of law enforcement that adversely affect the quality of life of the citizens living in the area. In addition to input from citizens, CP deputies work with patrol deputies when situations are observed. Once a problem or concern is identified, CP deputies work to find a long-term resolution to the situation by eliciting the assistance of the community and other

agencies as appropriate. When a solution is worked out, it is implemented and then monitored to insure that

it effectively addresses the problem. CP deputies are able to spend more time on a particular situation than patrol deputies and therefore, can see the problem through to resolution. The Community Policing Section has proven to be very beneficial to both the Patrol Division and to the citizens of Sedgwick County.

• The Community Liaison Section (CL) consists of one sergeant, four deputies, and one office specialist. The primary mission of the section is to provide educational programs for the public as well as representing the Sheriff's Department through participation in community functions such as parades, festivals, neighborhood associations and other community organizations. CL deputies also attend career fairs where they recruit qualified candidates for employment with

the sheriffs department. The D.A.R.E. program is probably the most visible program presented by the CL section. This program is given to 5th grade students of the elementary schools in our community and focuses on the dangers involved in the use of drugs. One deputy in the CL section is also specialist in gang activity. This deputy concentrates on reducing gang activity and presents programs aimed at providing timely information to the community. In addition to this, one CL deputy is assigned full time to Andale high school as a school resource deputy.

• The Canine Unit, operating for the last six months of 2002, is a new addition to the sheriff's department. It was designed to give the department another tool to locate illegal drugs, find lost persons, pursue suspects on foot, uncover evidence, search buildings and most importantly, provide additional officer safety. This is a tool that the department has not possessed since 1971. The two-four legged deputies along with their partners have also assisted ten other state

and local agencies in this region. Their extensive and ongoing training along with being utilized over 260 times in this short time frame, has produced many success stories. Deputy Rommell, a German Shepherd, handled by Deputy Hank Cocking along with Deputy Blitz a Belgian Malinois whose handler is Deputy Keith Allen, staffs the unit.

The Support Bureau is commanded by Major James Elvins. The Support Bureau consists of The Technical Division, which consists of the Training Section, Records and Identification Section, and Judicial Section.

BUREAU COMMANDER MAJOR JAMES W. ELVINS

TECHNICAL DIVISION

Captain James D. McKeel

The Technical Division, commanded by Captain James D. McKeel, encompasses several sections within the Sheriff's Department that have a variety of missions. Those sections include the following:

- The training Section coordinates all training within the department to include recruit classes, in-service training and the firearms range.
- The Records and Identification Section processes all the cases made throughout the department, types reports and maintains all records.
- The Judicial Section is made up of various units serving the state court system and support services for the Sheriff's Department.
 - The Transportation Unit is responsible for transporting inmates to various locations in Sedgwick County and to facilities throughout the state.

- The Warrant Unit locates and arrests individuals for whom a warrant has been issued ordering the persons arrest.
- The Court Room Security Unit provides security in the courtrooms during trials and hearings that have in-custody defendants and moves those inmates to and from the courtrooms.
- o The Extradition Unit coordinates for the return of felons to and from other states.
- The Civil Process Unit serves and executes legal papers and court orders in Sedgwick County.

- o The Tag Enforcement Unit investigates and enforces Kansas Motor Vehicle registration laws and recovers tags that were purchased with bad checks.
- o The Property and Evidence Unit is responsible for the storage, inventory, safekeeping and proper disposal of all evidence and property collected by Sheriff's personnel.

BUREAU COMMANDER MAJOR DANIEL E. BARDEZBAIN

Major Daniel Bardezbain commands the Detention Bureau. The Detention Bureau is divided into two divisions, Support Services and Operations. The Sedgwick County Adult Detention Facility is the holding facility for all municipalities within Sedgwick County, persons charged through the District Court and for Federal prisoners. At the direction of the courts, some sentenced offenders are housed at the work release facility. Inmates on the work release program are allowed to be employed off site and serve their sentence during their non-working hours.

OPERATIONS DIVISION

Captain Robert Hinshaw

Captain Robert Hinshaw supervises the Operations Division. The Operations Division is responsible for the care and custody of pre-trial and sentenced individuals charged with both misdemeanor and felony crimes.

SUPPORT SERVICES DIVISION Captain Glenn Kurtz

Captain Glenn Kurtz supervises the Support Services Division. The Support Services Division oversees the Detention Medical Clinic, Work Release, Chaplain Services, GED Program, Alcoholics Anonymous, Narcotics Anonymous and the Commissary and Supply operations.
